

Market Updates
Week of 04/23/18

- Poultry---** Chicken market is steady this week. Wings are steady. Breast are lower. Tenders are higher and Thighs are down.
- Turkey---** Market is stable. Ask your sales rep about our Plainville all natural line of turkey and chicken products.
- Beef---** Supplies are strong. A large amount of cattle in the stockyards. Market seems to be lower. Rounds are slightly lower this week. Strips are lower. Ribs and Tenders are lower. Grinds are lower this week. Brisket are Lower. The Chuck section is the only area showing a increase.
- Pork---** Production is strong as export demand is up and seasonal demand is picking up. Bacon is steady. Trim is up and Butts are steady. Hams are higher. The Rib complex are up. Loin are showing a slight decrease.
- Produce---** **WE ARE PROUD TO BE CARRYING PRODUCE FROM LOCAL FARMS WHEN ADVAIABLE**
Please check all produce at delivery. Check with your sales rep with further questions or concerns. Things seem to be somewhat quite. There is still some West Coast Gapping due to the growing area shifting from Yuma Az. into the Salinas Calif. area. Trucking is still the major issues on both coasts look for a increase on some products due to higher FOB pricing. **Greens---** are coming down. Romaine Hearts are higher with some supply issues. *****Apples-** New York State Apples are in storage with limited supply. ****Asparagus-** is lower and may have hit the bottom. ****Avocado** are looking steady. **** Peppers** are lower. ****Cabbage-** looking lower. ****Berry market-** The Berry market is mixed. Blueberries are lower with some domestic product coming available. Strawberries are looking lower. Raspberries and Blackberries are higher ****Broccoli-** is up **** Cauliflower-**is lower. **** Cucumbers-** are higher. ***** Green beans-** are down. ****Tomatoes-** are lower. ****Potatoes** are down, but look for Chef's to start climbing as quality starts to be a issues. Due to end of Canadian Storage product ****Citrus-** is finally showing some stabilizing, Navels oranges are once again in short supply moving the Orange market higher. ****Lemons** are coming down. ****Limes** are also looking better with better sizing. ****Squash-** is looking steady. ****Melons-** are rebounding to a more stable market with lower pricing. ****Watermelons-** are very high with product out of Mexico ****Eggplant-** is higher. ****Onions-** seeing some higher pricing due to transportation issues. ****Grapes-** are higher coming out of Chile ****Carrots-** are steady coming out of

Calif. **Celery** is higher... **Cilantro** looking better with better pricing. **Garlic**— both imported and domestic product is moving higher. **Brussels Sprouts**—looking great.

Dairy/ cheese--The Market is higher this week.

Butter is up this week. Due to Export demand
Heavy Cream and Half and Half is higher.

Grains/Flour---- looks steady

Soy Market — A drought in Argentina is effecting the Soybean market look for futures to rise.

Sugar--- We are seeing a strong market in the Sugar futures do to the issues in Mexico once again. Look for some higher pricing.

Eggs— Egg market is steady this week.

Non Foods-- We are seeing price increasing on all Aluminum products.

Seafood--- is steady this week.
